## Erie Board of Trustees Action Items – July 23, 2013

**Historic Downtown Building Fees Waived** – During Tuesday night's meeting, The Board of Trustees approved extending the ordinance waiving certain fees for building permits in Historic Downtown Erie. The fees to be waived as per the Erie Municipal Code include the following: building permit fee, electrical permit fee, mechanical permit fee, plumbing permit fee, and miscellaneous fees (demolition fee, fence fee, re-roof fee, solar energy system fee or device fee and plan check fee). The extended fee waiver will expire on December 31, 2016.

As directed by the Board, the fee waiver applies to remodels, additions or other enhancements to existing buildings or properties. The fee waiver does not apply to new residential buildings or new commercial buildings within the Historic Erie Neighborhood.

**Contract Approved for Bike Lanes** – The Board of Trustees approved a contract to Asphalt Specialties Company, Inc. to construct bike lanes along both sides of Weld County Road 5 from Weld County Road 4 north to Erie Parkway. Construction should begin in August and be completed by November of this year.

**Mutual Aid Agreement with Boulder County Sheriff's Department** – The Board approved a mutual aid agreement with Boulder County Sheriff's Department and the Erie Police Department. Erie police officers and Boulder County deputy sheriffs frequently assist each other, cover each other on calls for service and respond to emergency calls in place of the other when our own officers are not immediately available because of distance or call-load. The mutual aid agreement provides authority for Boulder County Sheriff's deputies to perform law enforcement functions while in the Town of Erie (both in Boulder County and Weld County), as well as provides authority for Erie police officers to perform law enforcement duties when requested in unincorporated Boulder County.
