Erie Board of Trustees Action Items – June 24, 2014

Board Approves Owner’s Representative Contract for New Police Station and Municipal Court Building – During Tuesday night’s meeting, the Board approved an owner’s representative contract with Consilium Partners for the new Police Station and Municipal Court Building Construction Project and the Town Hall Remodel Project in th amount of \$273,038.

BACKGROUND: During the April 1, 2014 Town of Erie Regular Municipal Election, voters approved funding for the construction of a new police station and municipal court building to improve the safety of our growing community and to replace the outdated workspace for the police and court services currently located at Town Hall. Once the police station and municipal court building is completed, the Town Hall Remodel Project will begin. The Town Hall Remodel Project will consist of conducting a space needs assessment and remodeling the building to accommodate current and future needs.

Board Approves Purchase of Open Space Property – Per previous direction of the Board of Trustees and the Open Space and Trails Advisory Board (OSTAB), the Town recently concluded negotiations with the owners of properties described as a 1.63 acre parcel of land and a 2.43 acre parcel located along the Coal Creek Corridor – specifically, in the vicinity of East County Line Road and Colorado Highway 7. The purchase amount for both properties is \$200,000.00 to be paid from the Town’s Trails and Natural Areas Fund. The purchases will proceed only if the Town’s investigations are deemed satisfactory.
